

PRIME MINISTER · PREMIER MINISTRE

### Message from the Prime Minister of Canada

It is with great honour that I welcome everyone to the launch of Liberation 75.

In 2020, we will commemorate the 75<sup>th</sup> anniversary of the Holocaust, and remember the millions of Jews and many others who were murdered by the Nazi regime during the Holocaust. It is a time to stand together and redouble our efforts to combat hate and bigotry in any form and resolve to never let such a heinous act happen again.

As we commemorate the victims of the Holocaust, it is important that we learn from our past and ensure that future generations continue to engage with the lessons of the Holocaust. It is thanks to initiatives such as this – which examine the Holocaust – that the important work of teaching, learning, and comprehension will continue.

Thank you to Liberation 75, TDSB, TCDSB, Peel and York Region Public and Catholic Boards for collaborating on this important initiative. Please accept my best wishes for a productive and illuminating educational program.
